PROGRAM 4

Create MITS college Website with the help of frames, style sheets, background colours, images, tables, and lists. There should be multiple webpages which are easily navigable by hyperlinks. Apply style sheets as well as floating, mixed, and navigation frames to design the webpages.

<h2 class="att">VISION</h2>

To be a centre of excellence for learning and research in engineering and technology, producing intellectually well-equipped and socially committed citizens possessing an ethical value system.

<h2 class="att">MISSION</h2>

Offer well-balanced programme of instruction, practical exercise and opportunities in technology.

Foster innovation and ideation of technological solutions on sustainable basis.

Nurture a value system in students and engender in them a spirit of inquiry.

<h3>Founder's Message</h3>

As a member of the 18th generation of the Muthoot Family and the current Chairman of The Muthoot Group, I take humble pride in stating that The Muthoot Group is an organization that has an unblemished family business legacy of over 800 years! I feel that very few families world over could take pride in such a rare and unique distinction. The Muthoot Group, which formally started as a small trading business enterprise in Kozhencherry in 1887, is today a business conglomerate with 20 diversified business divisions and a network of 5,750+ branches across India and a global presence across the USA, UK, UAE, Central America, Sri Lanka, and Nepal. Every day more than 2.5 Lac customers are served satisfactorily by our team of 40,000+ dedicated employees.

Guided by the uncompromising founding principles of Ethics, Values, Reliability, Dependability, Trustworthiness, Goodwill, and Integrity, the Group thrives on the philosophy of 'Unchanging Values in Changing Times'.

George Alexander Muthoot

Managing Director, The Muthoot Group of Companies</p>
